Affidavit for Filming Outside of the USA

The new 2257 rules allow producers based in the USA to use performers with foreign IDs only when the sessions in which those performers appear were filmed outside of the USA. Use this form to document any such situation.

Film Title: _____

Production Label: _____

Performers listed below appear in the above titled film. Their scenes for this film were filmed outside of the USA, so their foreign identification documents are in compliance with the rules governing the 2257 laws.

Please type or print clearly. Use additional pages as needed.
